Monday, Tuesday, Wednesday, Thursday 4-5 and 5-6pm

We recognise that children in Gibraltar and Andalucia undertake a huge range of clubs, activities and team engagements throughout the school week. It is Prior Park School's intention that we will support and encourage children in pursuing activities both at school but also outside it.

Children at Prior Park School will need to fulfil the requirements of the 'Prior Passport' to demonstrate a commitment to a broad and balanced programme of personal development. To do this they will need to participate weekly in at least one activity slot that stands as their Service/Leadership commitment, another that demonstrates them developing their Creativity and two occasions in the week where they participate in Team Sports/Physical Activity. Activities that are not organised by the school can be used as part of a child's commitment to the 'Prior Passport' provided these are agreed in advance between parents and the school.
